

DOOR TO DOOR HIV/ AIDS TESTING

As a way of bringing help closer in the community, PSI Swaziland will be conducting the door to door HIV/AIDS testing and counseling from 3 March 2012, to interested members of the community. They will also be educating about circumcision. Testing and counseling services will be offered: free of charge!!!

Your co-operation will be greatly valued.

Let's make Esitjeni an AIDS FREE community because we can!
